How it Works

Our innovative design makes Stoll Kitchen Kits stronger, lighter and easier to install than any outdoor kitchen solution out there!

1 Measure. Draw. Dream.

Work with your local dealer to design the perfect Stoll kitchen for your outdoor space.

2 Choose your components

Custom-designed to fit Stoll components or components from the brand of your choice.

3 Quick & easy installation

Most of our kitchens ship pre-assembled! When assembly is required, our innovative laser-cut tab system makes installation a breeze.

4 Sit back, enjoy & entertain!

Finish off your Stoll kitchen kit with one of our aluminum or stainless countertops and you're ready to start the festivities.
